39.00. 13 calls received (meetings info), nothing patched. Dave T asked if they take collect calls, no. Kurt B asked about business phones and what he paid and it was more reasonable. It piggy-back 1-800 w/ his regular #. South Haven has 269 # and they are the only 269- Stepping Stones Building – and they have a recording. Rich R said why not wait until Kurt B gets us more info on his plan and motion was accepted.
